1. What are Cookies?

Cookies are small data files that are downloaded and stored on your device (computer, smartphone, tablet) when you visit a website. They help improve website functionality, personalize your experience, and provide relevant information to you.

2. Types of Cookies We Use

Our website uses the following types of cookies:

- Essential Cookies: These cookies are necessary for the website to function properly and enable you to navigate and use the features of the website.

- Analytical/Performance Cookies: These cookies help us analyze website traffic and understand how visitors interact with our website. We use this data to improve our site's performance and functionality.

- Functionality Cookies: These cookies remember your choices (such as your language preference) to provide a more personalized experience.

- Advertising/Targeting Cookies: These cookies record your visit to our website, the pages you have visited, and the links you have followed. We use this information to make our advertising more relevant to your interests.

3. How We Use Cookies

We use cookies to:

- Facilitate website navigation.

- Analyze site performance and improve its functionality.
- Enhance your online experience by remembering your preferences.
- Provide personalized advertising and measure the effectiveness of advertising campaigns.

4. Managing and Disabling Cookies

You can manage or delete cookies by adjusting your browser settings. Most web browsers allow you to manage your cookie preferences by accepting or rejecting specific cookies, or by receiving a prompt before any new cookies are set.

To learn more about how to manage cookies, please refer to your browser's help section:

- Chrome:https://support.google.com/chrome/answer/95647
- Firefox: https://support.mozilla.org/en-US/kb/cookies-information-websites-store-on-your-computer
